Dear Enshrinement Class and Guests,

On behalf of our Board of Directors, I’m pleased and honored to welcome you to the 2020/2021 Florida Sports Hall of Fame Enshrinement Ceremony as we add another stellar class of inductees to our prestigious hall of fame membership. Since our inception in 1961, we have enshrined over 271 members into the Hall of Fame, while serving our mission of inspiring the lives of Floridians, especially the health and well-being of our youth. This year’s class once again represents the best of Florida.

We owe great gratitude and thank you to all of our sponsors and patrons who helped make this event possible, especially our title sponsor, UKG. As a non-profit 501(c)3 organization with an all-volunteer board of directors, we appreciate the support from everyone involved with this year’s event, especially having to sit out 2020 due to the global pandemic. Please take a moment to review the full list of sponsors and advertisers in this commemorative program.

Allow me to share some good news from this year, as we opened our new home of the Florida Sports Hall of Fame memorabilia this past March at the Mid-Florida Credit Union Events Center in Port St. Lucie. We owe a tremendous thank you to the City of Port St. Lucie, the Mid-Florida Credit Union, the Treasure Coast Sports Commission and especially to our Florida Sports Hall of Fame Chair-elect Rick Hatcher for all their efforts in making the move a reality. We cordially invite you to visit our new home, located at 9221 SE Event Center Place, Port St. Lucie, Florida.

I would be remiss in not mentioning that we were saddened by the passing of two long-time board members from South Florida this year: Mr. David Feder and Mr. Larry Wahl. Both very fine gentlemen. We are a better organization because of their contributions and service, and they will be sorely missed.

Thank you also to our board members who helped make this evening possible through their hard work and dedicated effort, all on a volunteer basis.

We hope you enjoy your evening.

Congratulations to our new class honorees!

Closing Remarks
Tony Bruno
A special thank you to our evening’s master of ceremonies, Tony Bruno. In the 1970s, Tony was working in the Philadelphia radio market when he caught the ears of executives in New York. This landed him his first network job with RHO Radio Networks.

When ESPN decided to launch a national radio network, Bruno was the first voice they used in 1992. Eight years later, Bruno moved on to pursue life outside the east coast and launched Fox Sports Radio in Southern California. The Los Angeles Times called him “possibly the best sports talk show host in America”. He was a regular on the Best Damn Sports Show Period on Fox Sports TV.

His strong on-air personality and solid broadcasting skills led him to be chosen by EA Sports to be a part of the most successful video game franchise ever, hosting a radio show inside Madden. Tonight, he is the voice of the Florida Sports Hall of Fame.

Professor, author and counselor, Father Leo was ordained a Catholic priest 44 years ago. In addition to his work to establish a residence for youth aging out of the foster care system in Palm Beach County, Father Leo is known for serving as the team priest for the University of Miami football team and the Miami Dolphins. He is a member of Iron Arrow Honor Society at the University of Miami and the Palm Beach County Sports Hall of Fame.

Throughout history, sports has been the great healer.

As entertainment, it has provided a sense of normalcy in times of strife, national emergency, or personal tragedy. It can also provide a platform for athletes to do great things for our communities off the playing field. Through sport, the physically and mentally challenged no longer feel excluded from society.

The incredible power and importance of sport to heal, to assimilate and to entertain is recognized by the Florida Sports Hall of Fame by the presentation of its annual Hewell Family Fame for Fitness Award. Each year, the Florida Sports Hall of Fame selects an individual or organization that closely mirrors its mission of promoting physical fitness awareness, education, and the general health and welfare of children.

The Florida Sports Hall of Fame is deeply indebted to Buddy and Dr. Jo Hewell and A.T.A.P. Companies for their many contributions to the Hewell Family Fame for Fitness Award.

Our 2021 and ninth recipient of the Hewell Family Fame for Fitness Award is Sydney’s Incredible Defeat of Ewing’s Sarcoma, or S.I.D.E.S.

Sydney Lister was midway through her first quarter of her 10th grade year at St. Thomas Aquinas High School when she went home with pain in her back radiating down her right leg. An MRI performed revealed a mass wrapped around her sciatic nerve.

On September 19, 2011, the Lister family was advised that the biopsy performed was positive for Ewing’s Sarcoma, a rare pediatric bone cancer.

In November 2011, Sydney’s Incredible Defeat of Ewing’s Sarcoma (S.I.D.E.S.) was founded at Midtown Athletic Club with a spin-a-thon hosted by Katina Taylor. In June 2012, Sydney was declared cancer-free and has remained so for the last nine years. Sydney has served as the Jr. Captain of The Winterfest Boat Parade, was the featured Wish Child at The 2012 Make A Wish Ball and was one of eight women recognized nationally in 2014 with The Pandora Hearts of Today Initiative for their contributions to society.

In the summer of 2014, in conjunction with ESPN and The Jimmy V Foundation, the S.I.D.E.S. Childhood Cancer Superhero Bobblehead was created. That year she appeared on the set of Mike & Mike in the morning in September, Childhood Cancer Awareness Month. Since that time over 800 bobbleheads have been delivered nationwide to children battling cancer and childhood cancer advocates. She visited every continent with the Miami Marlins’ team in the 7 Marathons on 7 Continents in 7 Days a few years back.

The mission of Sydney’s Incredible Defeat of Ewing’s Sarcoma is to provided financial assistance for children fighting cancer to ensure access to basic life necessities. S.I.D.E.S. also helps fund cancer research, college scholarships and provides children battling cancer with exciting and fun experiences. The foundation also advocates for and raises awareness of childhood cancer, and collaborates with other childhood cancer organizations throughout the country so that no child fights alone.
Bill Diaz was synonymous with the University of Miami swimming program, where he served as head coach from 1970 to 1985. While at the U, Diaz coached Olympic swimmers Jesse Vassallo, David Wilkie and Matt Gribble, as well as countless nationally ranked swimmers. In addition, Coach Diaz gave the first ever swimming scholarship to a woman. He was credited with adding a world-class diving program to the university, which later produced Olympic Champion Greg Louganis. Under his leadership, 27 swimmers and divers earned All-America status at the University of Miami. Coach Diaz passed away in 2014 and will be inducted posthumously.

A University of Florida graduate, Dara Torres was one of the most successful Olympic swimmers in history. She was the first athlete to represent the United States in five Olympiads and won a total of 12 medals in Olympic competition. She set the World Record in the 50-meter freestyle three times and was part of three relay teams that also established world records. At the 2008 Olympics in Beijing, Dara shocked the world by winning a silver medal in the 50-free at age 41. At the University of Florida from 1986-89, Torres won nine individual SEC Championships and was on 12 winning relay teams.
While his career is certainly worthy of NHL Hockey Hall of Fame consideration, Roberto Luongo’s two stints with the Florida Panthers more than qualified him for inclusion in the 2021 Florida Sports Hall of Fame. During his career, he earned second-team All-NHL honors twice and played in five All-Star Games. In 1,044 games in the net, Luongo recorded a 489-392-91 record and had an impressive goals-against average of 2.52 for his career.
Dwight Stephenson played center for the Miami Dolphins from 1980 to 1987 where he established himself as one of the best in the league. He was drafted in the second round from the University of Alabama. From 1983 to 1987 he earned both All-Pro and All-AFC recognition. He also made five straight Pro Bowls (four as a starter). In his eight seasons, Stephenson played in all 16 games six times. He also won two AFC Championships and started in Super Bowl XVII and Super Bowl XIX. As an inductee of the Pro Football Hall of Fame in 1998, Stephenson is one of just nine Dolphin players to have donned the Gold Jacket.

A center and power forward, Alonzo Mourning spent the majority of his National Basketball Association career with Miami, playing 11 seasons over two different stints for the HEAT, and was on the 2006 World Championship team. He averaged more than 17 points and 8.5 rebounds in his career, earning seven All-Star nods. Nine times Alonzo helped the Heat to the post-season. Mourning finished in the top 20 in the NBA in blocks, 11 times, and in rebounds, five times. Alonzo won NBA Defensive Player of the Year Awards twice and was the 2001-02 recipient of the J. Walter Kennedy Citizenship Award.
In his 25 years at the helm of the University of Miami Baseball, there wasn’t much Jim Morris didn’t accomplish. Morris won more than 1,000 games in his time with the Hurricanes. He was named the National Coach of the Year in 1999 and 2001. He won two College World Series Championships (also in 1999 and 2001) and made it to Omaha 13 of his 25 years. At Miami, Morris’ teams made the postseason 23 times. Morris helped lead the charge on funding of Alex Rodriguez Park at the University of Miami. He ended his career with 1,590 wins and became only the 6th coach in Division I history to eclipse 1,500 wins. Morris was elected to the National College Baseball Hall of Fame in 2020.

Ed Reed was a star at the University of Miami and parlayed an All-American career with the Hurricanes into a Hall of Fame career in the NFL. Ed was part of two championship teams. In 2006, the Hurricanes won the National Championship and in 2012, the Ravens won the Super Bowl. His list of accomplishments is beyond impressive. Reed earned nine Pro Bowl nods, was named to the NFL All-Pro Team eight times and led the NFL in interceptions three times. Reed was the 2004 NFL Defensive Player of the Year and holds the distinction of being elected to both the College Football Hall of Fame and the Pro Football Hall of Fame and is also a member of the Baltimore Ravens Ring of Honor.

The highly anticipated Florida Sports Hall of Fame opened in the spring of 2021 at the MIDFLORIDA Event Center in Port St. Lucie, Florida. The attraction features more than 60 memorabilia exhibits from some of Florida’s most well-known sports stars, including legendary golfer Jack Nicklaus; the late Coach Bobby Bowden; National Hot Rod Association legend “Big Daddy” Don Garlits; golfer Andy Bean; tennis great Chris Evert; football legend Bob Griese and many more.

Visitors can view memorabilia from individuals and teams that includes photos, videos, uniforms, apparel, sports equipment and trophies. The exhibits will be updated each year, following the enshrinement of a new induction class.

The opening came just a few short months after the announcement of the attraction’s relocation to the Event Center in October, a joint effort pioneered by the City of Port St. Lucie, Play Treasure Coast Sports Tourism and the Florida Sports Hall of Fame Foundation.

Late last year, the Florida Sports Hall of Fame Board of Directors were tasked with finding a new location for the Hall of Fame that, for the last five years, had been located in Davenport, FL. HOF President-Elect Rick Hatcher, who is also President and CEO of Play Treasure Coast Sports Tourism, contacted Linda McCarthy, Director of the MIDFLORIDA Event Center in Port St. Lucie about available space at the venue. Together with the
City of Port St. Lucie, Play Treasure Coast Sports Tourism, and the Florida Sports Hall of Fame Board of Directors, an agreement was drafted to relocate the memorabilia to the MIDFLORIDA Event Center.

“The Florida Sports Hall of Fame will offer a tremendous opportunity to increase sports tourism on the Treasure Coast,” said Hatcher “Its new location in Port St. Lucie will provide easy access from anywhere in the state, which, in addition to the numerous other sports facilities and attractions in the area, will attract athletes and fans from near and far to the Treasure Coast.”

Since its establishment in 1961, The Florida Sports Hall of Fame recognizes and honors Florida’s greatest sports figures and events and leverages this collective celebrity to promote fitness awareness, education and sports activities among our state’s youth and adults. Hall of Fame candidates must have been born in the state of Florida, have significant state ties, or spent a substantial part of their amateur or professional careers in the state. In addition to inducting a class each year, the organization also recognizes an individual or organization who’s off-the-field efforts best exemplifies the Hall’s charitable mission.

The Florida Sports Hall of Fame is located at 9221 SE Event Center Place, Port St. Lucie, FL 34952. The attraction is open from 10 a.m. to 5 p.m. Wednesday through Saturday. Admission is free. For information about the Florida Sports Hall of Fame visit www.flasportshof.org.
The Hall of Fame Foundation, Inc. (DBA The Florida Sports Hall of Fame) is a recognized 501(c)3 charitable organization whose mission is to contribute to initiatives related to the health, wellness and fitness of Florida’s youth. To that end, the Florida Sports Hall of Fame leverages its notable celebrity membership to assist financially, and through the investment of time, energy and other resources, to support a variety of causes affecting our youth.

Recently, the Florida Sports Hall of Fame joined hands with the Winter Park Little League to assist that organization with the incredible work they do with Central Florida youth. This is in addition to the continuing contributions and relationships the Florida Sports Hall of Fame has with Shriner’s Hospitals for Children, the Florida Sheriff’s Youth Ranches, and Volunteer Florida, an organization that provides hurricane relief to Florida communities and families.

In recent years, the Florida Sports Hall of Fame – through its Hewell Family Fame for Fitness Award – has recognized and provided funding to the Ryan Nece Foundation, which empowers teen community leaders; the ANNIKA Foundation, started by former LPGA star Annika Sorenstam as a way to teach children the importance of a healthy lifestyle; to
John Spengler, whose “Wear Your Soul Foundation” is dedicated to helping kids break the cycle of obesity; to Sam Fuld’s “TD1 Sports Camp,” which provides sports camp experiences for children with Type 1 juvenile diabetes; and the Shriners Hospital for Children-Tampa, for their groundbreaking work in transforming the lives of children with orthopaedic conditions, burns, spinal cord injuries, cleft palate and other complex medical conditions.

Thank you for your consideration in supporting the Florida Sports Hall of Fame. We are an organization making a difference in the lives of Florida’s young people and their families.

**Inductees 1961-2021**
In its 60th year, The Florida Sports Hall of Fame continues its mission to honor our vast sports heritage by taking the inspiring stories of its 271 current members to the people of Florida. This outreach comes in the form of a beautiful venue for housing our memorabilia, the hosting of an annual enshrinement, and many other programs benefitting Florida youth.

The Florida Sports Hall of Fame honors the struggle, perseverance, and achievement of our state’s best teams, athletes, and coaches. It is our goal to use the life-stories and lessons learned by our Hall of Fame members to encourage and support today’s competitors.

Florida Sports Hall of Fame members can be made available for a series of school, team and camp visits for the purpose of using their stories of success in sports and life to educate and encourage our state’s young people. For more information, visit www.flasportsHOF.org.

MISSION STATEMENT
OF THE FLORIDA SPORTS HALL OF FAME

“The Florida Sports Hall of Fame recognizes and enshrines the state’s greatest sports figures, providing each a platform to extend their good works beyond the playing field. Celebrating this success allows the organization to engage the citizens of the state and to contribute to the well being of Florida’s youth.”
The MIDFLORIDA Credit Union Event Center is proud to be the official home of the Florida Sports Hall of Fame.

Thank you to the Florida Sports Hall of Fame Foundation and Play Treasure Coast Sports Tourism.
Celebrating its 60th year, The Florida Sports Hall of Fame was started by the Florida Sports Writers and Sportscasters Association to recognize and honor Florida's greatest sports figures and events and leverage this collective celebrity to promote fitness awareness, education, and sports activities among our state's youth and adults.
